Recommendations to provide better recreational facilities in and around the campus were brought last Monday evening at the meeting of the Student Senate.

The recommendations were presented by the president, James Galloway, and were brought up only for discussion at the meeting. Action will be taken on them only after committees, which will be appointed later, have been set up and after the recommendations have been investigated.

A car committee consisting of the Dean of Men, Dean of Women, and two students appointed by the Student Senate was suggested. Its duty would be to establish rules for making blanket exceptions on the car rules, such as the University Prom, the Christmas Formal, and the Spring Formal.

It was also suggested that the committee handle any appeals from students involved in violations of the car regulations that wish to have their case reviewed and to investigate a possible abolition or relaxation of the insurance clause.

During the discussion of the insurance clause Dr. Prout stated that it was put into effect to keep \$10 jalopies off the campus and to protect all people who were involved in accidents.

A possible relaxation of the taxi regulation was also to be studied by this group.

A faculty-student committee consisting of a law professor, Dr. Prout, the president of the Senate, and two student members was also recommended.

Their duties would be: to make a study of the recreational facilities at the university; to consult city officials regarding re-zoning some of the surrounding areas to facilitate private businesses to build such things as, larger and better class restaurants, more theatres, dance halls or coke establishments.

Television Set Planned For Nest

Plans are now underway for the installation of a television set in the Falcon's Nest. It is hoped that the set can be installed in time for the Toledo-Bowling Green football game Saturday night.

The Nest will also be open until 12:30 on Saturday nights for the remainder of the year and is also available for organizations wishing to hold social functions there on Friday nights.

Grandstand Coaches...

While attending the Central Michigan football game Saturday afternoon it became quite obvious that many of the BG student body still have not acquired that maturity which is the mark of an educated person.

During the game several incidents arose which seemed to arouse the wrath of various students. These incidents involved the decisions of the Falcon coaching staff and when these decisions did not seem correct to these students, criticisms and so-called wise cracks were hurled at the BG mentors.

We are not attempting to impose a restriction on the freedom of speech but one of the first things we learned was that with every freedom that is guaranteed to man there is also a responsibility to accept, and this is an example of those persons who have eagerly accepted the freedom but failed to accept the responsibility. The responsibility of which we are speaking is that responsibility of being intelligently informed on the subject of which one speaks.

Those students who became so aroused probably do not know enough about football to coach a sandlot team and if they did they would be pacing back and forth in front of the bench instead of sitting in the stands. Besides not being well-informed on the subject these students are only making themselves look foolish to other people and their criticisms are being wasted.

It is not to be argued here whether the Falcon football coaches are comparable to Paul Brown or George Halas but rather to point out some people have yet to learn that it is the wise man who says the least.

Wise Planning...

We believe that much credit is due Don Cunningham, ticket manager, for the excellent job he has done in arranging the seating of the student body for home football games.

In our first two years at this University it was necessary to go to a football game at least an hour before game time to be sure of getting a seat. With the arrangement used last year and again in effect this year it is now possible to go to a football game at a reasonable time with the assurance of having a seat.

Of course there are those students who are not satisfied with their seats but that is to be expected whenever one is dealing with human beings. It should also be pointed out that organizations are shifted from year to year so that one group does not sit in the middle section all the time while another continually sits on the goal line.

This is wise planning on the part of Mr. Cunningham, which should be appreciated by the student body and followed by other administrative heads.

Letters To The Editor

To the Editor:

Bigotry, prejudice, and small mindedness on the part of some of the citizenry of Bowling Green is becoming very much in evidence. It is unfortunate that the actions of a few can create a bad name for our city.

I am referring to the distasteful way the Negroes of our University are being treated. It is a disgrace to our accepted ideals of democracy. Let me cite a few examples of how these fine boys and girls are being subjected to humiliating experiences. They have to travel to Toledo everytime they need a haircut. They are not allowed to bowl on student teams in the local bowling alleys. They cannot obtain work or eat in any of the restaurants. One proprietor said, "I would lose my trade if I even let a Negro boy work in my kitchen."

If these small time Americans are not ashamed, I am ashamed for them. What right have they to treat their fellow citizens this way. The Negro has contributed much to the culture and greatness of our nation. They pay their taxes and many of them gave their lives to protect the homes of the people in Bowling Green and yet they are treated as second rate citizens.

I believe it is the duty of the student body and the administration to take steps to eradicate these Jim Crow attitudes which we usually consider to be strictly Southern.

Officials Announce Time Schedule For BG Health Center

Students should observe time regulations when reporting to the health center at the University Hospital, it was announced by officials today.

Regular sick call hours are from 8:30 to 11 a.m. and from 2 to 4 p.m. daily, except Saturday and Sunday. Facilities are maintained by registered nurses on duty 24 hours a day and by physicians during regular call hours.

Officials remind students that there will be no excused absences issued other than at the regular sick call hours.

In case of illness, report to the health center immediately, before you miss a class. Absences from class due to illness must be reported to the hospital in person, the day they occur.

Courses In Bridge Begin

Contract bridge lessons, beginning Tuesday and Wednesday, Oct. 11 and 12, will again be sponsored by the Social Committee. Mrs. W. E. Steidtmann, authorized Culbertson teacher and member of the National Bridge Studios, will conduct a series of eight lessons.

Two separate classes will be held, one meeting each Tuesday night and one each Wednesday night from 7 to 9 in the gym of the Lab School. Each lesson will include an hour or more of actual play. At the end of the course a bridge party will be held for the members of the classes, and prizes given.

Reservations should be made, and the \$4.00 fee per student should be paid in the office of the Dean of Women on Monday, Wednesday or Friday from 1-3 and on Tuesday or Thursday at 9-12.

"To be able to play a good game of contract bridge is a definite social asset," according to Mrs. Steidtmann. "When going into a new community to live, social contact can be made more easily if one plays bridge. Many former Bowling Green students, particularly young married couples, have told me that, had they not taken the bridge lessons while here in school, they would have had very little social life in the communities into which they have gone."

These lessons are open to all men and women students as well as students' wives or husbands. Classes are limited in size, so it is advisable to sign up at once.

Chess Club

The Chess Club will hold an organization meeting Tuesday, Oct. 11 in room 206 of the Women's Bldg. Those attending are requested to bring chess sets if they have them.

Postal Head Explains Rules

Special precaution in the use of mail services by University students has been requested by Harry Bavis, Bowling Green postmaster. In a recent letter to the editor of the NEWS, Mr. Bavis suggested certain procedures which the students should use care in following to assist the post office department in rendering efficient and quick mail service.

Failure to use the complete return address on out-going mail has caused great inconvenience for postal employees. It is necessary to use house or room numbers, the complete street or dormitory name, and particularly the student's own name. Several pieces of mail addressed to students here were returned in the past week, said Mr. Bavis, as a result of previous use of insufficient return addresses.

In addition, Mr. Bavis said that failure to use any return address at all has resulted in several pieces of mail going to the dead letter office.

Student Court Makes Parking Assignments

Assigned parking only has been designated for the area on the south side of the drive beside the Commons. Formerly open parking, the restricted area extends to the smokestack according to the revised campus parking chart, recently released by Student Court.

Student Court, which is designed to enforce rules made by the Senate, is headed by Lillian Hanic and Kenneth Krouse. New justices appointed last spring are Charles Kurfess, Dick Brown, and Janet Dunson.

Three traffic violation offenders appeared before court last week. Court sessions will be held every Wednesday at 4 p.m. in 202A. The clerk, Jerry Ryder or Walter Rinaldo, will be in Dr. Prout's office from 2 to 3 p.m. Monday through Friday.

On Second Thought

by
JACK SAYLOR

EVERY DOG must have his day . . . at least so goes the old saying. And so it is with sports editors. It seems they always must stray from the path of everyday reporting and venture into the realm of the columnist. This department is designed to bring to light sidelights, notes and opinions on sport and the names that grace the sport pages—both local and otherwise. So without further ado—Here goes:

ROCKET RECORD MISLEADING

SATURDAY NIGHT has been designated as Bowling Green's annual "Migration Night." The Falcon gridders will need all the vocal support they can muster up for this one—besides being on their toes in the field. Toledo's record is quite misleading.

The Rockets bowed to a surprisingly strong Loras team in their opener and dropped the second game to potent John Carroll last week. Nevertheless Toledo is strong and the coaching staff is missing no bets. Coach "Skip" Stahley and a crew of his scouts were in the BG press box for both the Rider and Central Michigan games. They definitely are not regarding the Falcons lightly. So let's all be in Toledo Saturday night to help out!

BASEBALL BOWS OUT

BASEBALL'S PENNANT races are history and the Yankees and Dodgers are set to open the World Series today. Maybe your choice won and maybe they didn't, but at any rate the torrid fights which were waged in both leagues will furnish plenty of fuel for the hot stove circuit as the summer pastime prepares to give way completely for fall and winter sports.

In hashing over the late season, here's the way this corner thinks the annual awards should be doled out: MOST VALUABLE PLAYER: In the National . . . No race, Jackie Robinson in a breeze . . . American . . . Race is closer, but Joe Page rates the honor . . . ROOKIE AWARDS: In the National . . . No trouble here either . . . Dodgers' Don Newcombe . . . American . . . Tough selection . . . Gerry Coleman, Mike Garcia, Jack Graham, Gus Zernial, and Johnny Groth all near top with injuries hurting chances of latter two . . . Our choice . . . Roy Sievers of the Browns. MISCELLANEOUS NOMINATIONS: Comeback of the Year: Cards' Howie Pollett . . . Flop of the Year: You name him . . . Ken Keltner, Gene Bearden, Bob Feller, and/or Johnny Sain.

SOPHOMORE CROP EXCELLENT

BOWLING GREEN'S crop of sophomore gridders gives promise of a fine team for several seasons to come. In the line, centers Gene Aldridge of Utica, Mich., and Ollie Glass of Elyria; tackles Claude Shanks of Manistee, Mich., and Dick Owens of Napoleon; and end Harry Coleman of Toledo have looked good. Among the backs, Richie Pont of Canton, Norb Cowan of Ft. Wayne, Napoleon's Paul Shartzler, and Rex Simonds, a home town product have shown early season sparkle.

BG Invades Glass Bowl

CARELESS HANDS might well be the theme of this action shot from Saturday's game. Rod Lash, 13, Falcon quarterback, eludes Chippewa tacklers to register gain in the first quarter. He was back for a pass, but spotted no receiver so picked up yardage on the ground.

Bellard Faces Large Task In Cutting Frosh

Freshman Coach Bruce Bellard announced that 100 uniforms have been given out to freshmen football candidates.

With a little less than a week and a half to go before opening the season with the Heidelberg yearlings, the squad will have to undergo a great cutting operation. Coach Bellard will cut the squad in half for a working team, and his traveling squad will number 35.

Among the outstanding candidates for the Eysas squad is Milt Bruckner, of Bellevue. Milt was an end on the All-Ohio football squad of last season. In addition to this, Milt was also named to the All-Ohio basketball and track teams the same year.

Another end candidate is Jere Preston, of Ft. Wayne, Ind. Jere won honors last season by being named to the All-Indiana school-boy squad. Paul Schieg, a 225 pounder from Napoleon brightens the tackle outlook. Paul also won All-Ohio honors last year.

The largest man on the squad of hopefuls is Earl Robbins, of Van Dyke, Michigan. Earl, a tackle, tips the scale at 270 pounds and was named to the All-Michigan squad.

Fastest men on the team are Bob Gwin, of Maumee, and Bob Coleman, of Toledo. Coleman was named on the All-City teams for the past three years.

BOXING CLUB FORMS

Any students interested in forming a boxing club are requested to meet at 7 p.m. today in room 315A. Instructions in boxing will be given by Rudy Mancini, and it is hoped that competition can be arranged with outside groups.

Recreational Swim Schedule Released

The pool facilities are again being made available to college faculty, employees, and members of their immediate families. First semester tickets can be purchased at the business office at a cost of \$2 per adult and \$1 for each member of the family, high school age and under.

Children should be four feet tall in order to be safe in the pool. Children under high school age should be accompanied by parents at the evening recreational swim sessions. Suits, towels, and locks are furnished.

University students need only cial groups may schedule the pool on some night by contacting Sam Cooper at the Physical Education Cooper at the physical education office.

Engage Twice Beaten Rockets In "Migration Night" Struggle

By CHUCK ALBURY

Toledo's Glass Bowl gets its annual test for shatterproofness Saturday night when Bowling Green squares off with the Lake City Rockets at 8:15 p.m.

The contest has been designated as "Migration Night" for followers of the Falcons and ominous rumblings from the north, where Toledo is smarting from two successive lacings, indicate Bee Gee may well need all the vocal support that can be mustered.

Outlook Bright For '49 Falcon Harrier Squad

Two lettermen, Bob Weaver and Robert Mickits, return this season to make Bowling Green's prospects for the coming cross country campaign bright.

Coach Dave Matthews has been working his boys for the past two weeks, and is well pleased with the progress they have been showing. The returning lettermen from last year will be bolstered by Frank Kilgore and Lee Pate, both coming up from the 1948 frosh delegation. Kilgore, state scholastic mile champ, has been the Falcon pace setter in pre-season workouts. Pate injured his foot in early practice and is a doubtful starter in the first meet.

The season opened Tuesday with a triangular meet between Bowling Green, Albion College, and the University of Toledo.

The schedule:

Oct. 8 Baldwin-Wallace, here
15 Hillsdale, here
21 Ohio Wesleyan and Wayne, here
29 at Michigan Normal

While Coach Bob Whittaker's charges were stretching their unbeaten skein to 11 with last week's 20-0 win over Central Michigan, Toledo was losing to strong John Carroll, 28-14. The Rockets are not in the habit of losing three games in a row and will be out to wreck vengeance on the Falcons.

After last year's tussle the Rockets were loud and long in quoting statistics which showed themselves to be a superior team. Bee Gee only smiled and pointed up to the final numbers on the scoreboard—Toledo 6, Opponents 21.

This will be the second grid contest between the two schools since athletic relations were severed in 1935 and then renewed two years ago. On the overall rivalry, Toledo holds a 6-4 edge in victories while 3 have ended in deadlocks.

Falcon alumni are still mindful of the awesome 63-0 beating the Rockets dished out in 1935 and every BG win helps to partially erase that nightmare. Last year's 15 point margin was the widest the Orange and Brown could ever manufacture.

Bee Gee-TU games are never of the patty cake variety. The Rockets are especially strong in the line where the play is most bruising and some mild earthquakes may be generated when they try to spring their ace carrier, Emerson Cole, through the Falcon forwards as a counter measure to devastating Jack Woodland.

Passers Lee Pete and Billy Johnson will match tosses with BG's sharpshooters, Rod Lash and Neil Pohlmann.

Tackle Gordon Ackerman should be ready for full duty but fullback Paul Shartzler will probably sit it out for another week. Otherwise, Bowling Green will field the same team that opened against Central Michigan.

FALCON FACTS — A breakdown by class of the 1949 Falcon football squad shows 17 seniors, 16 juniors, and 24 sophomores, which includes 22 lettermen.

BG Streak Reaches 11 Games

Lash, Woodland, Schnelker Pace Falcons To 20-0 Win

by HAROLD WASHBURN

Bowling Green's high riding Falcons hurdled their first serious obstacle of the '49 season last Saturday with a 20-0 victory over Central Michigan. It was the second win of the season for the Falcons and runs their unbeaten streak to 11 games.

The first quarter was scoreless. Midway through the second quarter Bob Schnelker intercepted a Central Michigan pass on the Bowling Green 22. Line smashes by Jack Woodland and a pass from Lash to Don Frail moved the ball to the Chip's 16 where Lash passed to big Bob Schnelker for the score. Bob Mason converted to give the Falcon's a 7-0 lead.

ROD LASH JACK WOODLAND

A few minutes later Lash intercepted a Central pass at mid-field and sprinted to the Chip 12 yard line. Schmidt circled right end from the four to score, and Mason again converted to make it 14-0, Bowling Green.

Shortly after the start of the third quarter, Schnelker recovered a Central fumble on the Bee Gee 31. A few plays later Lash hit Schnelker with a pass on the Chippewa 30. After a line buck by Schmidt netted two yards, Schnelker ended the day's scoring by snagging Lash's pass in the end zone. Mason's conversion was wide.

Bob Schnelker continued his fine play at end, snagging the two touchdown passes, intercepting two Chippewa tosses, and recovering a fumble which led to Bee Gee's last score. Bud Schie, who

Four Orchestras Furnish Music For University Functions

There are now four orchestras on the Bowling Green campus: Hal Caudil, Specks Rogers, Verne Walters, and Russ Druckenmiller.

Hal Caudil, who took over Verne Walters' old band, has 14 men and vocalist Diana Totter.

"Specks" Rogers leads a seven-piece jam band with vocalist Marie Delsonno. "Specks" announces that he will cut down his band into combinations for parties. He hopes to encourage jam sessions to be held at regular intervals during the year.

Verne Walters has a new seven piece band which will feature new music and arrangements. Buzz Biazio is his business manager.

Russ Druckenmiller offers a 10 to 14 piece band.

All these bands are available for parties, closed formals and all-campus dances.

Draft Regulations

Listed For Students

University students who become 18 years old during the school term need not return to their homes to register under the Selective Service Law, Col. C. W. Goble, State Selective Service Director, has announced.

Students may register within five days after their 18th birthday at the local draft board. It is located at 115 N. Main, above Strawser's Jewelry Store.

Student Directory Ready For Print

The Student Directory goes to the printers late this week, according to Bob Stewart, editor. It will be ready by mid-October, two weeks earlier than last year.

The Directory lists students' names, addresses, phone numbers, and home addresses. Forty-five hundred names are expected to be in the directory. Students' failure to list names and addresses properly at registration time has hampered publication, said the editor.

The directory is expected to be available at a price, lower than available at a price lower than that of last year.

Ac Cards Necessary For Library Books

"Students must now show activity cards to obtain library books," reports Librarian Paul F. Leedy. All books on the reserve list are in Room 100.

played almost the entire game at guard, also turned in a good game.

Jack Woodland played a great game at fullback, consistently gaining yardage through the Central Michigan line, and acting as a backbone for the Bee Gee defense which limited Central to a net gain of 45 yards on the ground.

Rod Lash turned in a fine performance at quarterback. He averaged 44.8 yards on five punts, and also demonstrated considerable running ability in addition to his accurate passing.

Rain Delays IM Football Opener

Initial contests of the 1949 intramural football season Monday were postponed due to wet grounds. Twenty-one teams are starting action in three leagues this week.

Six teams in League One were to have answered the opening gun Monday. These games — Rams vs. Dixiecrats, Wildmen-KP's, and Sigma Psi Omega vs. Newman "B"—will be played following the regular schedule sometime after Nov. 3.

Tonight is an off night, but Thursday will see KP's pitted against the Banshees and Rams taking on Newman "B" in League One. Friday, Wildmen face Sigma Psi Omega in a League One tilt, while East Hall tackles Lee Riders and Clowns engage Slobbovians in League Two.

Monday in League Two, Delta Phi Beta oppose Wranglers and in League Three action Castoffs challenge Owls and Hut H confronts the Browns.

A full slate of 12 teams in Leagues Two and Three were scheduled to open this fall's campaign, weather permitting, last night. Results of these games will be carried in the BEE GEE NEWS, Oct. 12.
